Typography

Raleway should be used for all text bodies. If you wish for a word or part of your text to be seen more prominately, then use **Raleway semi-bold**.

Alternatively, you may use **Avenir** if Raleway is unavailable.

Sacramento should be used for all headings etc.

If you wish to emphasise the word/ heading, add a **border** to the text, using the same colour as the text and a thickness of 2.

Alternatively, you may use Grand Hotel if Sacramento is unavailable.
